

1146.00M² WAREHOUSE TO LET IN JET PARK

Unit 1 in Industrial Village offers a prime industrial opportunity with 1,146m² of well-configured warehouse and operational space, becoming available from 1 June 2026. Part of a larger 11,612.72m² gross lettable area on an erf measuring 4.0985 hectares, this unit is ideal for businesses requiring secure, functional, and flexible industrial accommodation. Strategically located in the heart of Jet Park, the property provides excellent connectivity to major transport routes and logistics corridors, making it a highly efficient base for distribution, storage, or light manufacturing operations. The unit is designed to accommodate high-volume goods handling, vehicle access, and operational workflows, while the larger industrial village offers shared security and managed infrastructure to support tenant operations. With ample space for loading, unloading, and operational expansion, Unit 1 is suitable for businesses seeking a secure, high-capacity industrial facility in one of Gauteng's most active logistics and industrial hubs. This opportunity combines functionality, accessibility, and growth potential, making it a standout option for industrial tenants.

Features:

● GLA (m²): 1146.00

● Zoning: Industrial
