

29 SCOTT STREET

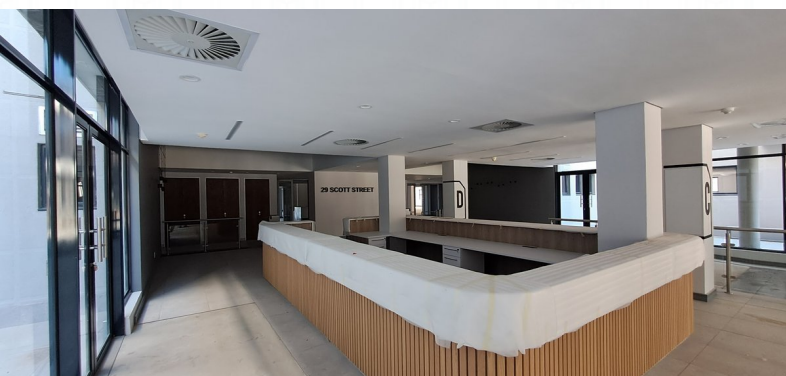

343M² OFFICE TO LET IN WAVERLEY

Located in the heart of the sought-after Waverley neighborhood, this beautifully renovated 343m² second-floor property combines contemporary elegance with everyday functionality. The spacious open-plan layout is filled with natural light, offering an inspiring and adaptable environment ideal for a variety of uses, from collaborative offices to boutique retail or creative studios. Modern finishes and thoughtful design create a sophisticated yet practical space that promotes productivity and comfort. Reliable backup power ensures uninterrupted operations, making it a dependable choice for businesses that value efficiency and continuity. Tenants can also take advantage of the Space2Spec incentive, providing the flexibility to customize the space to suit specific operational needs. Positioned in a prime area with convenient access to major transport routes and nearby amenities, this property offers both visibility and convenience. Basement parking is available at R650.00 per bay. This recently upgraded property presents a rare opportunity to secure a refined, modern workspace in one of Johannesburg's most desirable commercial precincts.

Features:

● GLA (m²): 343
