

M² VACANT LAND FOR SALE IN APEX

This 47,000m² industrial-zoned property presents a prime opportunity for developers and investors looking to establish or grow their presence in a high-demand industrial area. Strategically located with convenient access to major highways and transport routes, the site ensures excellent connectivity to Johannesburg's key logistics hubs and commercial centres. The land offers a level, fully serviced platform ready for immediate development and is highly versatile, making it suitable for various industrial purposes such as warehousing, manufacturing, or distribution. Combining scale, strategic location, and development-ready infrastructure, this site is an exceptional foundation for a significant industrial project.

Features:

● Erf Size (m²): 47000

● Zoning: Industrial
