

M² VACANT LAND FOR SALE IN APEX

This 27,300m² industrial-zoned vacant stand presents a prime opportunity for development in a highly sought-after industrial hub. Ideally suited for large-scale warehousing, logistics, or manufacturing operations, the site offers excellent yard space, multiple entry points, and substantial building coverage, providing flexibility for both developers and owner-occupiers. Its strategic location ensures seamless access to major highways and key transport routes, promoting operational efficiency, strong visibility, and long-term growth. Fully serviced and ready for immediate development, this property is well-positioned for a custom-built facility or a sound investment in a high-demand industrial area.

Features:

● Erf Size (m²): 27300

● Zoning: Industrial
