

1186.00M² OFFICE TO LET IN ILLOVO

This spacious 1,186sqm second-floor office offers a versatile and professional working environment ideal for a range of business operations. The layout includes a welcoming reception area, a selection of closed private offices, and open-plan workspace that allows for collaboration while maintaining flexibility. The office is complemented by its own dedicated kitchen, providing convenience for staff and visitors alike.

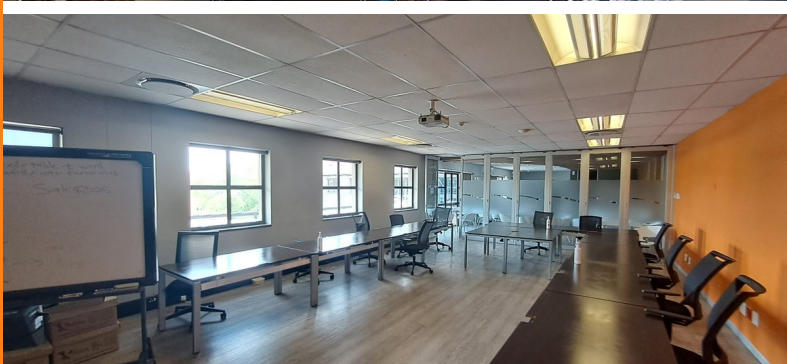

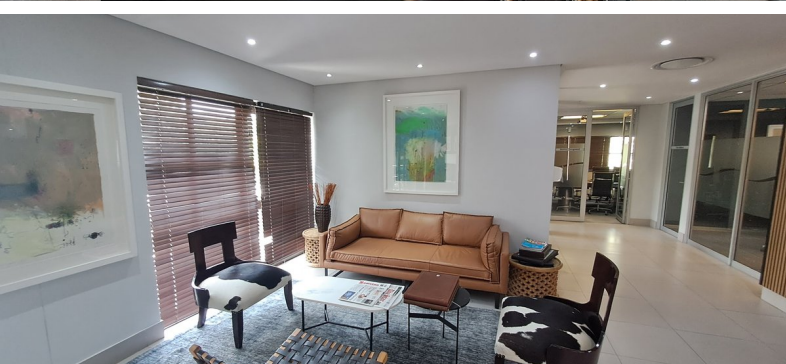

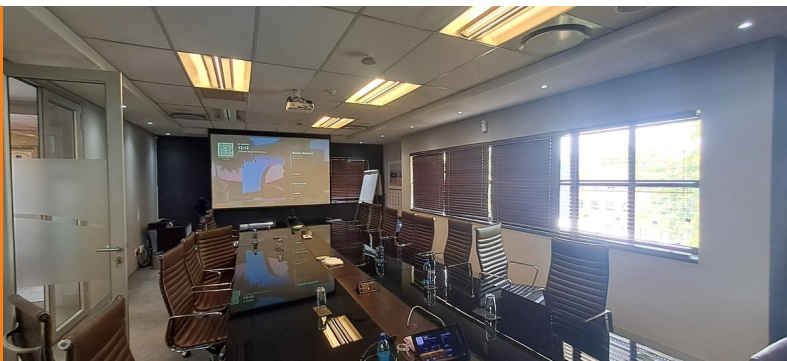

Generous natural light and efficient floor planning create a comfortable and productive atmosphere, suitable for both established companies and growing teams. The building is well positioned close to public transport routes, ensuring easy accessibility for employees and clients.

Ideally located within close proximity to the Melrose, Illovo, and Rosebank shopping and business nodes, the office enjoys excellent connectivity to major amenities, restaurants, and retail centres. This prime location, combined with functional design, makes the space an excellent choice for businesses seeking convenience, accessibility, and a prestigious address.
